Fantasy Cricket League

https://fantasycricketleague.in/

Fantasy cricket league is a skill based online game in which a virtual team of real cricket players is built and points are scored depending on how those players perform in real-time matches. Players must work to obtain the maximum points and the highest rank on the leaderboard to win a tournament. In FCL, you can fulfill the dream about having your own team. Player should build team consist of a bowler, batsman, wicket keeper and all rounder. From the selected team, player should assign captain and vice captain. A player can create 30 number of teams. If your team comes on top against other teams on the FCL leaderboard, you will win prizes or real money. FCL is one of the best option to enjoy a game of cricket as you can earn rewards while sitting at home enjoying a match on TV.

Fantasy cricket

Fantasy cricket is the game where the player becomes a team selector and wins real money and amazing gifts as reward if the cricket players you selected have performed well in the match. The outcome of your game will entirely depend on the real-life player's performance in the match. Cricket is more than just a sport in India, and now fantasy cricket is enjoyed by millions across the world. The aim is to pick your best possible 11 from the teams playing on a given day and score more than your competitors.It is absolutely safe, secure, and legal to play.
