

Opal Jewelry With Unique Looks and
Best Designs

Every stone is best in its own way, as some are soft, some appear to be hard, which rates high on the Mohs scale hardness. For instance, Opal jewelry is the smoothest, and the crystals are composed of water and silica, which makes it delicate and fragile. Whereas if we talk about the Herkimer diamonds jewelry, they rate at seven on the Mohs scale hardness, which means they are hard to break.

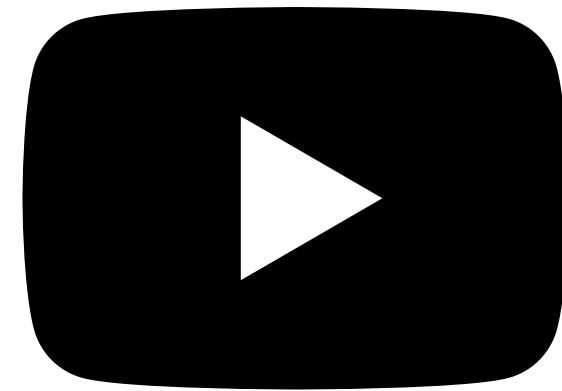

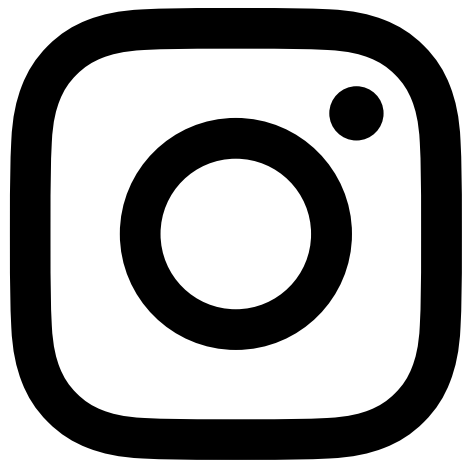

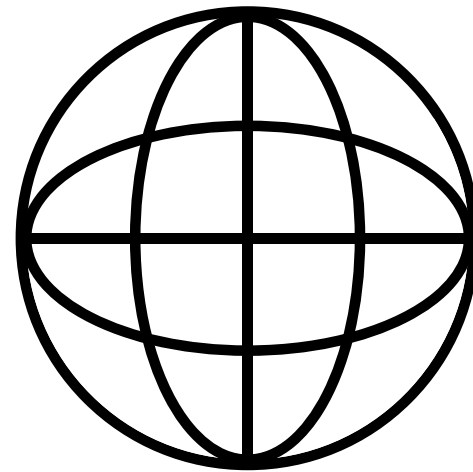

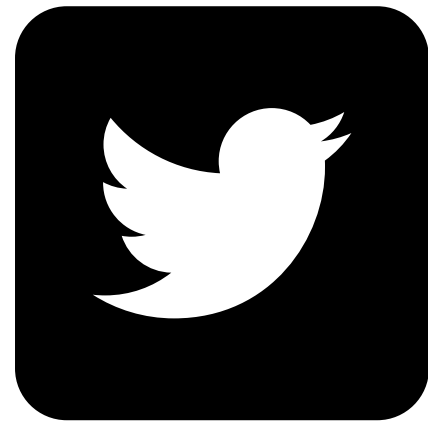

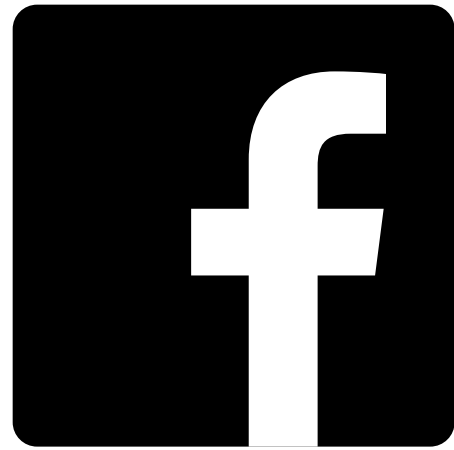

Opal- Find a soul - mate of your life by wearing the beautiful Opal Ring. The Opal gemstone represents love. The Opal gemstone is related to Venus, and it represents the energies of love. Surprise your loved ones by purchasing an Opal gemstone ring, an ideal 4th Anniversary gift.
